

Postpartum Supplies

Compression Support Hosiery

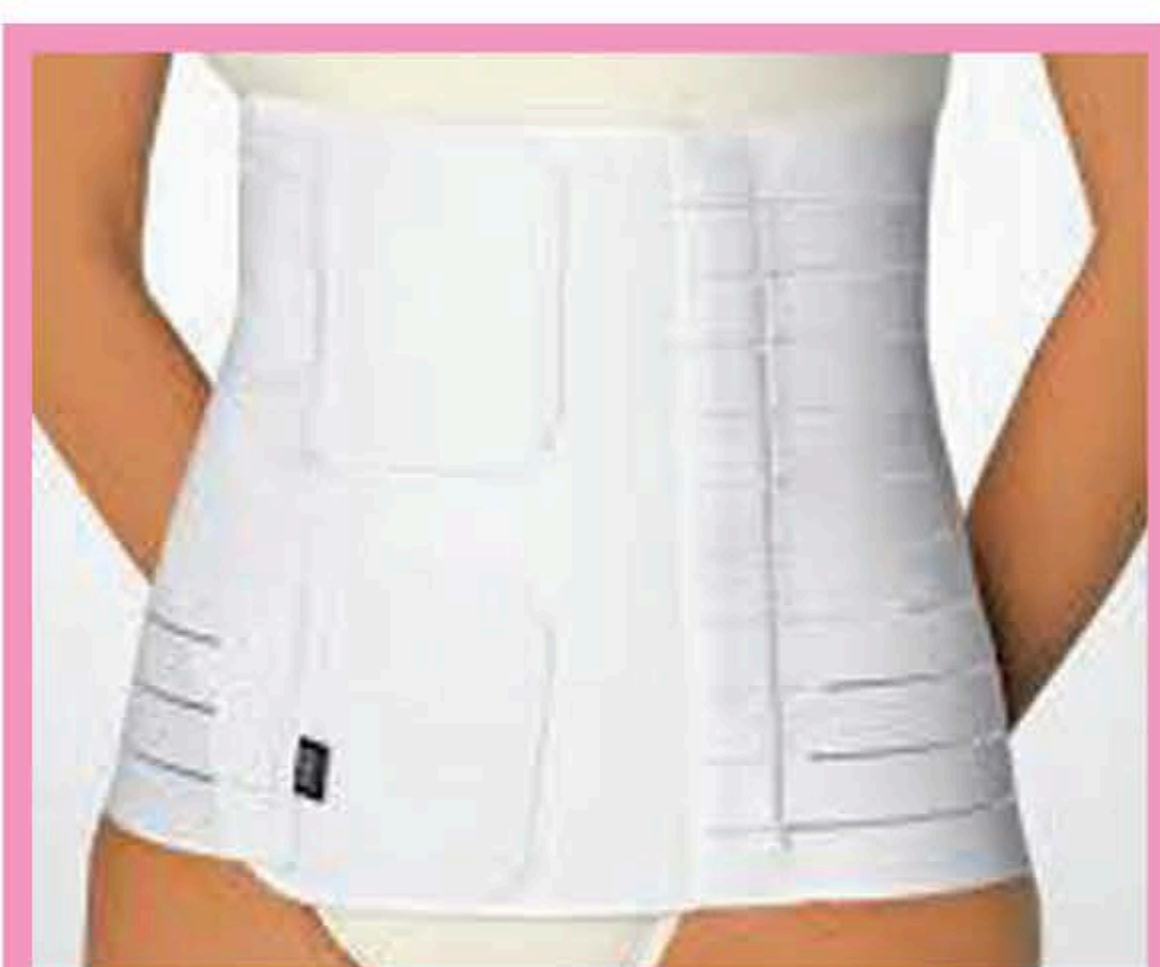

Features two-way stretch fibers and a cotton/nylon pouch that expands and provides support as you grow. Prevents pain and discomfort associated with pregnancy and recovery. Available in different styles.

Quantity depends on each patient coverage and medical necessity.

- Available for both prenatal and postpartum patients.

Abdominal Binder

Post-surgical or pendulous abdominal binder. Features soft and plush inner lining for all day wearing comfort to support weak backs. Gentle compression restricts expansion of abdomen.

One binder is covered based on medical necessity.

- Available for postpartum patients

Breast Pumps

To stimulate lactation or relieve engorgement. A simple way to support breast feeding your baby. The breast pump is lightweight, portable and convenient. The sleek design allows for discreet pumping.

One breast pump is covered per delivery based on insurance policy.

- Available for postpartum patients.

A Specialized Program for the Expecting Mother

Our Services

Serving maternity patients for over a decade.

Authorization and Benefit Checks

We verify eligibility and benefits so patients can get the products they need at a price they can afford.

Little to No Out-of-Pocket Expenses

Out of pocket expenses are subject to the patient's health plan benefits.

Easy Ordering Program

To prescribe, simply fax a completed Physician's Written Order and the most recent face to face evaluation notes of the patient's treatment plan and GHMS takes care of the rest.

Free Shipping

After the prescription is received, we will ship the unit directly to your patient's home at no shipping charge.

Submit Your Referral Today

Fax your prescription to **888.611.0666**. We verify coverage and keep you informed from approval to delivery. Experience the ease of partnering with General Home Medical Supply,

Our Program

Specialized maternity and postpartum products

Pregnancy isn't easy. Sometimes mothers and mothers-to-be need a little extra support. As patient advocate, our goal is to work with your medical team to help ensure a healthy pregnancy.
